PLEASE REVIEW AND SIGN FORM INDICATING UNDERSTANDING

APPOINTMENTS: I understand that a 24 hours notice is expected for cancellation of appointments. A minimum charge may be made for a failed appointment without 24 hours prior notification. This charge will be $35 per half -hour of your scheduled appointment time. For example, a 45 minutes failed appointment fee would be $52.50. A 2 hour failed appointment fee is $140.00.

RELEASE OF PROTECTED INFORMATION: I consent to the release of encrypted or unencrypted radiographic images, and other HIPAA protected information, as necessary for referrals to/from any other health or dental care provider and/or the processing of insurance claims. I understand that unencrypted information may be compromised.

INSURANCE AND PAYMENTS: I understand that all professional services are charged directly to the patient or the responsible party, and that party is personally accountable for the payment of fees at the time of service. Tumlin Family Dentistry is NOT a participating provider in any insurance company network.
The practice will prepare the necessary forms or reports to help the responsible party obtain insurance benefits, as long as they have been provided with correct and current information. This is done as a courtesy, and Tumlin Family Dentistry does not render services on the basis that insurance companies will pay all of their fees. Each fee is individual for the individual patient, and the patient (parent or guardian) is personally responsible for any amount that the insurance company does not pay. Financial arrangements must be made in advance.

DENTAL TREATMENT CONSENT: I understand the Covid virus and its variants, as well as other illnesses, have incubation periods during which carriers may not show symptoms and still be highly contagious, and that it is impossible to determine who may or may not have an illness.
I understand that while this office is taking every recommended precaution to reduce risk, dental procedures do create water spray (aerosols). The ultra-fine mist of the spray can linger in the air for several minutes to hours, and may be one way disease is spread.
I understand that due to the frequency of visits of other dental patients and the characteristics of dental procedures, that the patient (parent or guardian) may have an elevated risk of contracting an illness by being in a dental office.

FOR THE COMFORT OF OTHER PATIENTS AND STAFF MEMBERS, PLEASE DO NOT WEAR COLOGNE OR PERFUME TO YOUR APPOINTMENT.

I have read and I understand and agree with the above information. I understand that this form has no expiration unless revoked with a written request.
